

CHEMICAL ELEMENTS

The noble gases

- An introduction of the Periodic Table
- The students got a Periodic Table app to their iPad and could see how the Periodic table is organized
- We talked about the Noble Gases, what made them different from other chemicals in the Periodic Table

- Students watched a video from Youtube about the Noble Gases

<https://www.youtube.com/watch?v=qNaBMvJXdJ4>

- Students looked for some information about the Noble Gases on the Internet and in books.

- Students made poems about the Noble Gases and made a book. They could work at this one and one or two and two.

- The students decided to make rap music
- The students choose some poems from the books they made to make the music and here is the link to the video
